NCCCO Certified on all cranes except Lattice Truck Cranes

### Crane Operator

I've been involved in the Industrial Construction Field for thirty three years. Performing work in all phases, structural steel, pile driving, form setting, piping, electrical, and concrete, etc. Working on Various projects such as Gas plants, Power plants, Refineries, Bridges, Dams, and Water Treatment Plants. Starting my trade as a Rigger; I've Riggered on various types of Cranes such as Transi- Lifts, Ringers, Crawlers, Large, and Small Hydraulic Cranes, Which eventually led to Operating Cranes.
